

THE SPOKE DISTRICT 6740 NEWSLETTER

Rotary

Message from District Governor Xandy Stewart

Each year on July 1st Rotary International changes operating years, and around the world new leadership steps-up to address goals they've selected to help Rotary advance. Accepting the responsibility for being the District Governor of District 6740 is a privilege, and I greatly appreciate that our district has entrusted me with this position.

The first action I would like to take is to thank District Governor Jeanne Clark for how she delivered leadership to our district during the prior twelve months. District Governor Jeanne has done a fabulous job of administering the demands of this district. Our district membership has rebounded, total giving to the Rotary Foundation has exceeded two-hundred thousand dollars, and a new club is getting traction in Floyd County. District Governor Jeanne has served tirelessly with purpose and persistence, and her work for Rotary will be favorably recognized years into the future.

Addressing the specific needs of their districts are what District Governors are asked to do. Rotary's presence is solid in our Eastern Kentucky communities, but we are actually under-represented as a portion of our population. I am asking each club to grow membership by ten-percent during the coming twelve months. Although such an increase is not as large as our district can be, it is an aggressive step to capitalize upon the momentum we are currently experiencing. While growing each club is incredibly important, we also need more clubs. Our thirty-five clubs are tremendous assets to the communities they serve, but imagine how many of our neighboring communities would also benefit from Rotary's presence.

Our incoming Rotary International President, Stephanie Urchick, has challenged us to add four new clubs to our district. Just as we are seeing in Floyd County, we can replicate this in Campbell, and Carter, and Garrad, and Woodford, and Whitley, and on and on.

Message from District Governor Xandy Stewart

Growing new clubs requires commitment, but commitment is one thing Rotarians pride ourselves on. Our district is here to serve Central and Eastern Kentucky and Rotary International. We serve membership, we serve clubs, and we serve each other. Please let me know how you believe we can grow District 6740.

Being the good Rotarians that we are, we will continue to do our part to fund the great work of Rotary International by contributing a minimum of one-hundred dollars each to the Rotary Foundation, and thirty dollars each to the Polio Plus Campaign. Donations to the Rotary Foundation ensures our ability to expand our community service in the future. Our contributions to Polio Plus will help us to eradicate polio in present time. How wonderful will it be to say “we did this”, we helped rid the world of polio.

In everything we do over the course of the next twelve months we want to be active, be visible, and be vocal. We Rotarians are proud of what we do, we happily do all that we do, and we should take every opportunity to remind the public how Rotary makes a positive difference in each community we serve.

It is a tremendous honor to serve as your District Governor. I thank each of you for elevating me to this position. I look forward to visiting, and working with each club, each community, and each “Person of Action”, both present and future, throughout District 6740.

Rotary On
Xandy Stewart, DG 2024-2025

2024-2025 Rotary Club Presidents

Please join me in welcoming, and also thanking, our Club Presidents for 2024-2025

Jonathan Couch- Ashland
Robin Roseberry- Augusta
Charles Hoffman- Berea
Stephen Scalf- Carlisle
Lisa Kersey- Corbin
Shane Noem- Covington
Mark Stifford- Cynthiana
Duke Hamilton- Falmouth
Joe Gulley- Fleming County
Ian Addington- Florence
Kelli Martin- Floyd County
Heather Schreder- Georgetown
Jerry Blanton- Harlan
Daryl Parker- Hazard
Angela Hagedorn- Kenton County
Bret Anderson- Lexington
John Simson- Lexington After Hours
Ellen Norvell- London
Beverly Scarberry- Louisa
Kavin Cartmell- Maysville
Annette Hines- Morehead
Rebecca Cooley- Mt Sterling
Larry Prinssen- Nicholasville
Jeania Perry- Paintsville
Todd McConnell- Paris
Novella Froman- Pikeville
Terry Pannell- Pineville

5 Star Club Criteria

Are You a

5 Star Club?

(Criteria Revised July 1, 2024)

To receive recognition as one of our district's prestigious **5-Star Clubs**, your club must meet a set of standards which go above and beyond what is expected from clubs in our district. This honor announces to Rotarians throughout the district that your club has met the highest standards in Rotary.

To be recognized on this level, a club must meet a total of **15** out of the following criteria in the Five Avenues of Service. While each of the **Five Avenues of Service must be represented in that total of 15, those with in red are mandatory**. While some of the same criteria may show up in more than one category, no criteria can be used twice.

These activities must be able to be documented in the Rotary year July 1, 2024 – May 1, 2025. The recipients for this award will be recognized at the District Conference in Chattanooga in May 2025.

Club Service

- **Show 10% increase in membership by May 1, 2025. This is based upon starting membership numbers as of July 1, 2024.**
- Show increase in the number of Paul Harris Fellows
- Show increase in the number of Paul Harris Society members
- Show increase in the number of women in the club
- Maintain or create a FB page
- Maintain or create a club newsletter
- Be an "Every Rotarian, Every Year" club
- **Show an increase (from last Rotary year) in TRF Annual Fund giving of 10%**
- **Show an increase (from last Rotary year) in PolioPlus giving of 10%**
- Current President attended PETS
- At least one club member attended RLI
- Club sponsors a Rotaract

Community Service

- Participate in a minimum of 3 Rotary community service projects this year
- Initiate a brand new Rotary community service project
- Partner with another community organization on a project
- Partner with another Rotary club (in or out of district) on a project
- Promote the work your club is doing to the community through social media or other communication channels

5 Star Club Criteria

International Service

- Participate in a Global Grant
- Participate in a Heart to Heart project in Mexico
- Purchase at least one Shelter Box
- Hold a World Polio Day activity/event/program
- Sponsor a club member to the Rotary International Convention
- Support a Rotary Peace Fellow
- Host a Rotary Youth Exchange student (long or short term)
- Send a student to a foreign country as part of RYE

Vocational Service

- Present a special program at a club meeting during Vocational Service Month (January) on that theme
- Honor a non-Rotarian businessperson in your community for their service
- Create a “Take a Student to Work” day
- Invite a member to do a “Classification Talk” to promote vocational awareness in your club
- Organize a tour of a member’s workplace to recognize the value of a vocation
- Invite members of Rotaract or Interact to a special vocational meeting
- Post the Four-Way Test on a prominent billboard in your community
- Sponsor a Four Way Test Essay contest in a local school
- Sponsor a Career Day for students at a local school
- Honor a “Community Business Partner of the Year”
- Sponsored a networking event to attract new members

Youth Service

- Host a young person through Rotary Youth Exchange
- Send a young person to another country through RYE
- Sponsor a student to participate in the Rotary Short Term Exchange program
- Involve young people in a service project
- Sponsor an Interact club
- Sponsor a student essay contest on “Service Above Self” or the 4-Way Test
- Award a young person a college scholarship
- Sponsor a Career Day for students
- Send a student to RYLA
- Sponsor an Empowering Youth program (boys or girls)
- Partner with an Interact club on a service project

*Submit your club’s self-nomination before May 1, 2025!

Send to me at xandy.stewart@gmail.com

Becoming a 5-Star Club is not easy – it was not intended to be! This honor will recognize the most progressive, active club or clubs in our district.

DG Xandy

The Magic of Rotary

By Stephanie Urchick, Current RI President

The Magic of Rotary can have its greatest impact when Rotary members and community leaders come together to solve problems and transform lives. That magic starts with you, and now is the time to put it into action.

You have the power to bring about positive change, both in your club and in your community. When we move into the future united in a common purpose, there's no limit to what we can achieve.

Sincerely,

Stephanie A. Urchick
2024-25 President
Rotary International

Membership Update

By: Jeanne Clark, PDG

As of July 17, 2024, RI reports that District 6740 has **35 active Rotary clubs** with a total of **1276 members!** Clubs and their current membership numbers are as follows:

Ashland 56	Louisa 52
Augusta 12	Maysville 87
Berea 16	Morehead 16
Carlisle 19	Mt. Sterling 21
Corbin 36	Nicholasville 23
Covington 53	Paintsville 17
Cynthiana 21	Paris 24
Falmouth 20	Pikeville 88
Fleming County 44	Pineville 8
Florence 51	Richmond 55
Floyd County 27	Russell 29
Georgetown 25	Somerset 17
Harlan 24	Somerset-Pulaski Co. 37
Hazard 27	Stanford 13
Kenton County 24	West Liberty 10
Lexington After Hours 14	Whitesburg 23
Lexington 217	Winchester 26
London 44	

Rotary Sidebar

By Jeanne Clark, PDG

In 2023-24, 18 clubs in Rotary District 6740 donated toward **ShelterBox**. This reflects a total giving of \$20,000 toward this special project.

Hopefully, the clubs in our district will continue or increase their support for ShelterBox in 2024-25! The following information is an update on where your dollars went in 2024-25 specifically in Ukraine and Gaza!

ShelterBox exists to ensure no one is without shelter after disaster. We often work in places that others don't, making sure that we reach families who need support to take the next step in resuming their livelihoods and rebuilding their communities.

Everyone deserves a place to call home. Right now, more than 100 million people around the world have lost their homes to disaster and conflict. We are working to change this. By providing emergency shelter, tools, and household supplies to displaced families after disaster, we enable families to begin to rebuild and recover, transforming despair into hope.

Ukraine

The brutal conflict in Ukraine has left millions of people with no safe place to call home. Innocent civilians are being killed, and families and lives are being torn apart.

Now, two years after the start of the war, **millions of people** are in need of urgent humanitarian assistance.

ShelterBox is giving people thermal blankets, clothing, and emergency repair kits. These items will help people fix damaged roofs, seal windows and doors, keep the heat in, and make homes watertight.

But, many people are still living in damaged buildings with limited supplies. As the conflict continues on, we need your help to continue responding.

ShelterBox has helped more than 120,000 people affected by the war in Ukraine. We've supported people displaced within Ukraine and refugees who crossed the border into Moldova.

With our attention now firmly on supporting people through the bitter winter months, we'll be reaching thousands more people with essential items to help them survive.

People are living in damaged homes without heating or lighting. That's why we're providing thermal clothing, solar lights, water carriers, and stoves with our new partner, [NNLPD](https://philanthropy.com.ua/en/about) (<https://philanthropy.com.ua/en/about>).

Rotary Sidebar

We're also working with ReliefAid (<https://www.reliefaid.org.nz/>) and Green Chernobyl (<https://greenchernobyl.com/>) to provide emergency shelter repair kits. This will help people fix damaged roofs, seal windows and doors, keep the heat in and make homes watertight.

Gaza

Up to 1.7 million people are displaced in Gaza— that's more than 75% of the population having no choice but to shelter in community buildings like schools, makeshift shelters, or out in the open.

There is severe overcrowding and disease is spreading. People don't have what they need to protect themselves or their families from the harsh winter weather.

Items like tarpaulins and rope will help people repair damaged buildings and make shelters watertight. Blankets, mattresses, pillows, and ground mats will help people stay warm. We are also providing hygiene kits (diapers, toothbrushes, and sanitary items), water carriers, and kitchen sets for clean water, food prep, and hygiene. Vital items for people with no belongings and unable to return home.

Access to water, food, and medicine is very difficult. It's made worse by fuel shortages. Without electricity, people cannot use lights in the dark evenings, keep warm, or cook food.

Together with our partner MAP (<https://www.map.org.uk/>), we'll be sourcing items in Egypt and Türkiye. The situation is complex, but our aid will reach people via the Rafah border crossing between Egypt and Gaza.

Update 06/05/2024:

Trucks loaded with life-saving aid—including tarps, rope, water carriers, blankets, mattresses, and floor mats—have successfully crossed into Gaza, and distributions are actively underway by our local partner, MAPs. These crucial supplies are essential for making temporary repairs to bombed-out buildings, creating makeshift shelters, and providing warmth and comfort to those caught in the crossfire.

With more than 80% of homes damaged or destroyed and 75% of people in Gaza displaced, this shipment of emergency supplies is a lifeline. Distributions are ongoing, and more aid is waiting to cross the border.

We are expanding our operations to address the urgent demand and have additional aid en route. Our tents have arrived in Egypt, and we expect more tents to arrive in Jordan shortly, where our ShelterBox team is on the ground working through supply chain logistics.

The situation in Gaza remains dangerous, unpredictable, and complex. Despite these challenges, we are committed to bringing much-needed relief to those affected by this crisis. **We are urgently seeking your support to continue this life-saving work.**

The Rotary Foundation Giving for 2023-24

While our overall district giving to The Rotary Foundation was down \$971 this year (due to a check from one club which did not make it into the system in time), we did go up in per capita giving to the Annual Fund.

2023 – 24 Annual Fund

- We achieved 184.2% of the club goals that were set for a total of \$144,131 in giving
- Our per capita giving was up at \$117.47 per person
- We had 1 non-giving club this year

2023-24 PolioPlus

- We achieved 133.8% of the goals set by the clubs for a total of \$51,699 in giving
- 10 clubs did not give to PolioPlus

2023-24 Giving listed in Other Funds

- \$18,105

2023-24 Giving listed in Endowment Fund

- \$10

The grand total is giving to The Rotary Foundation was \$213,945.

Recognitions

Paul Harris Fellows – 82 (down 39 from previous year)

Major Donors – 3 (down from 10 previous year)

EREY – We have 446 members who gave nothing to TRF!!!

ShelterBox - The Need Continues

By Jeanne Clark, PDG

As you are planning your budgets this year, please don't forget about your club's commitment to International Service. What better way to be part of helping those far away from our homes but to donate to ShelterBox? Last year, the generous clubs in District 6740 donated 18 ShelterBoxes!!!!

Everyone deserves a place to call home. Right now, more than 100 million people around the world have lost their homes to disaster and conflict. ShelterBox is working to change this. By providing emergency shelter, tools, and household supplies to displaced families after a disaster, ShelterBox enables families to begin to rebuild and recover, transforming despair into hope.

ShelterBox exists to ensure no one is without shelter after disaster. They often work in places that others don't, making sure that they reach families who need support to take the next step in resuming their livelihoods and rebuilding their communities.

Shelter is more than just a roof – it's a home. It's the foundation for life, families and communities. It is a place to feel safe after days or weeks of fear. It offers protection from harsh weather, privacy, and helps to preserve dignity. It's a space to heal from trauma. The impact of ShelterBox provides the foundation for life, for families, for communities.

In the past year, ShelterBox supported over 325,000 people in 14 countries. With prepositioned aid, ShelterBox swiftly responded to crises in Morocco, Malawi, Ukraine, Gaza, and beyond. Now, they need your help to restock their global warehouses.

Emergency shelter can also prevent communities from scattering. This means people stay connected and build resilience together.

When you don't have to keep moving or worry about where to sleep at night, you can think about tomorrow. Items like tents, tarpaulins, tools, blankets, mosquito nets, cooking sets and water filters help to meet the most urgent needs, so you can start to earn a living, send children to school and rebuild your home.

Recovery doesn't happen overnight, but a dry and warm place to sleep, prepare meals and be with your family is the vital first step.

Won't your club please consider donating at least one ShelterBox this year? For more information about how to respond by purchasing a ShelterBox, please contact PDG Jeanne Clark at jclarkrotary6740@gmail.com.

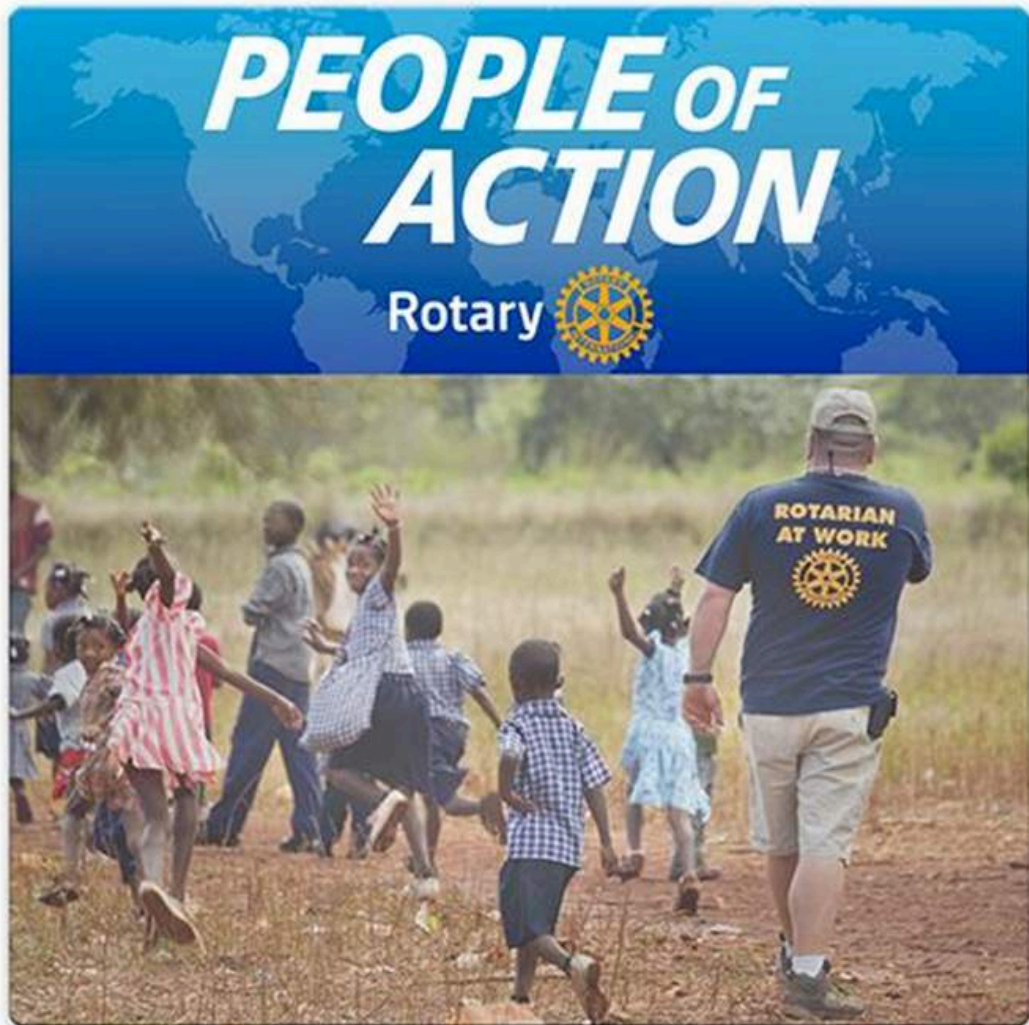

Scenes from the 100 Year Celebration in Louisa

Calendar of Upcoming Events

and is now ready for you to take home!

Covington Rotary Club Sponsors Youth Exchange Student

By Arnold Taylor

The Covington Rotary Club is happy to be sponsoring a Short Term Youth Exchange this summer. Visiting us from Finland is Inbound student Anni Nurminen. She arrived in Kentucky on June 15th and will depart on July 15th, accompanied by our Outbound, Kara Potts, who will live in Anni's home for a month.

During her stay, Anni lived in Newport with the family of Will and Sherrie Potts. Anni is 17 and lives in Espoo. She has been introduced to many Northern Kentucky events and had the opportunity to get close and personal with horses at Turfway Park. She spoke to the Covington Club on June 25th and told about her hobbies and her home (where it is pretty much daylight 24/7 at this time of the year). The club looks forward to hearing from Kara when she returns from Finland.

Covington and Florence Rotary Club Co-Host Annual Rotary Children's Fishing Outing

By Arnold Taylor

The annual Rotary Children's Fishing Outing, jointly sponsored by the Covington and Florence Rotary clubs, was conducted at New Day Ranch located in Verona, Kentucky on Saturday, July 20. Richard Harrison, a member of the Covington Rotary Club, together with his Co-Chair Paul Feuss from the Florence Rotary Club, have been working together on this wonderful project for over 25 years. The team hosted 12 children and 6 staff members from CHNK Behavioral Health as well as two other children who were family members of outing volunteers for a fun morning of fishing education, fishing and a nutritious donut breakfast and pizza lunch.

Beth Long, with New Day Ranch, generously allowed us to enjoy her wonderful New Day Ranch facility again this year. New Day Ranch <https://newdayranch.org/> has an outstanding mission to tailor equine-based techniques to explore emotions, tackle challenges, and encourage development in hands-on workshops for participants of all ages, abilities and objectives, all at an incredible outdoor setting in Verona, KY. The Northern Kentucky Fly Fishers provided knowledge, rods and reels and bait to help make our outing possible. ORSANCO and its Foundation for Ohio River Education provided shirts for the participants and also three additional volunteers for the event. Thanks to all for making this such a great event!

Rotary Club of Floyd County Is Official!

By Jeanne Clark, PDG

Members of the brand new Floyd County Rotary Club met for the first time on July 12 at the Floyd Co. Extension office in Prestonsburg.

President Kelli Martin welcomed everyone and the members learned about the importance of the Four-Way Test from PDG Jeanne Clark.

PE Susan Kendrick urged members to sign up for various committees and there was a discussion of their big Charter Celebration to be held sometime in September.

In addition to the Charter members in attendance, the club gained 4 additional members that day! Congrats to that fledgling club!!! Amazing start to the year!

(Pictured - President Kelli Martin and some of the members of the Floyd Co. Rotary Club)

Lexington After Hours Hosts District Governor Xandy Stewart

By Jeanne Clark, PDG

DG Xandy was on hand to install new officers of the Lexington After Hours Rotary Club. Those included President John Sims, PE Chris Stevenson and Secretary Rebecca Sims. The DG also used the opportunity to share his vision for the district with club members.

Louisa Rotary Club News

By Bev Scarberry

On Thursday, July 18, members of the Louisa Rotary Club got together for their weekly meeting.

Teresa with God's Food Pantry spoke to the club about the important work being done at their facility. God's Food Pantry, located in Louisa, is serving around half the population in poverty in Lawrence County. Building relationships with other food pantries and services is also very important for God's Food Pantry. This includes the relationships with Facing Hunger Food Pantry in Huntington, Lexington food pantry branches, Walmart, Food City, and Brown's Food Service to name a few locally. Scan cards are also available now to families to make the process quicker. She also thanked Louisa Rotary Club and other generous people for volunteering time to the food pantry.

LayLen Hopson and Riley McClanhan accept scholarships from the Louisa Rotary Club

LayLen Hopson and Riley McClanhan were honored guests at this week's meeting as both received scholarships from the Louisa Rotary Club to go towards their college careers. Kayla Brown was also inducted as a new member of the Louisa Rotary Club.

Joining members at the Louisa Rotary Club for the June 27 meeting was the cast from the upcoming production of "Tarzan" presented by the Mountain Movers Theatre Company. They explained the play and introduced each of their characters. Opening day will be July 5 and will run through July 14. Please contact the Mountain Movers Theatre Company for the exact days and times of the performances. (Pictured are the cast and crew for upcoming "Tarzan" production.)

Mountain Movers Theatre Company

The Soar Country Music Highway concert in Louisa will be held downtown July 12-13 and will include Lawrence County native, Noah Thompson in the lineup. Check out Lawrence County Tourism online or on Facebook for more information and the rest of the acts.

Pikeville Rotary Club Honors Rotarian of the Year
